The welfare of the child is paramount. The four main categories of abuse are listed below.

Safeguarding Policy Statement

Stamford Academy will endeavour to meet, and where practicable exceed, its duty of care to all students. Where the student is under 18, the duty of care is likely to extend to taking the care that a reasonably prudent or careful parent would take of his or her children in the circumstances. Stamford Academy understands that under 18s from overseas may not have the same knowledge or experience of the UK as home students so may be more vulnerable to harm than home students of the same age. All children and young people regardless of age, culture, disability, gender, language, racial origin, religious beliefs and/or sexual identity have the right to protection from abuse, freedom from injury and a safe and healthy environment while in the care of the Academy.

Stamford Academy will ensure the safety and protection of all children and vulnerable adults enrolled on its programmes through adherence to the Safeguarding guidelines that we have adopted.

Policy Aims

The aims of this policy are:

- To provide children and young/vulnerable adults with appropriate safety and protection whilst in the care of Stamford Academy.
- To provide an environment in which children and vulnerable adults feel safe, secure, valued and respected, so they may approach adults if they are in difficulties, believing they will be effectively listened to.
- To allow all staff to make informed and confident responses to specific child protection issues
- To safeguard the welfare of students through positive measures
- To raise the awareness of all teaching and non-teaching staff of the need for safeguarding and of their responsibilities in identifying and reporting possible cases of abuse.
- To provide a systematic means of monitoring children and young/vulnerable adults thought to be at risk of harm and to ensure that we contribute to assessments of need and support for those in need.
- To emphasise the need for good levels of communication between all members of staff.
- To develop and periodically update procedures within the school which will be followed by all members of staff in case of suspected abuse.
- To develop and promote effective working relationships with other agencies where required, especially the Local Safeguarding Children's Board (Lincolnshire).
- To ensure that all staff working within our school that have access to children and young/vulnerable adults have been checked as to their suitability, including verification of their identity, qualifications and an Enhanced DBS check and a single central record is maintained.
- To ensure that any weaknesses identified in child protection and safeguarding are addressed without delay.
- To undertake an annual review with the Managing Director (Mr. Christopher Brock).

We aim to achieve this by:

- Making sure our staff are carefully selected.
- Providing appropriate training for staff in issues of child protection.
- Taking all reasonable steps to ensure the health, safety and welfare of any child or vulnerable adult in contact with Stamford Academy staff.
- Not physically, emotionally or sexually abusing any child or vulnerable adult in contact with Stamford Academy.
- Taking all reasonable steps to prevent any staff member, contractor or member of the public from putting any child in a situation where there is unreasonable risk to their health and safety.
- Taking all reasonable steps to prevent any staff member, contractor or member of the public from physically, emotionally or sexually abusing any child or vulnerable adult.
- Reporting to the appropriate manager or designated person any evidence or reasonable suspicion that a child or vulnerable adult has been physically, emotionally or sexually abused whilst in the care of Stamford Academy.
- Referring to statutory authorities any incidents of this nature reported to senior staff.
- Ensuring that all interested parties are aware of this policy and have access to copies.

Reporting Process

Awareness We will ensure that all staff, partners and other representatives are aware of the problem of child abuse and sexual exploitation and the risks to children. Children and their families will be made aware of the standards of behaviour that can be expected from our representatives and the procedures to follow to raise a concern.

Prevention We will ensure, through awareness raising and good practice, that staff and others minimise the risks to children. Staff and managers will create an environment where children's rights are respected and child abuse and sexual exploitation of children is prevented.

Reporting We will ensure that staff and others are clear as to what steps to take where concerns arise regarding the abuse and exploitation of children.

Responding We will ensure that action is taken to support, safeguard and protect children where concerns arise regarding their possible abuse and exploitation.

School and Staff

We will ensure that:

- All staff understand and fulfil their responsibilities

- Selected host families accommodating under 18s are required to complete a DBS check.

Safeguarding Officer

There will be at least two senior members of staff who will take responsibility for Safeguarding:

- The Safeguarding Officer (Chris Brock)

Both will have received the appropriate training and will have the knowledge and skills in recognising and acting on child protection concerns.

They will act as a source of expertise and advice. They will be responsible for coordinating action internally and liaising with outside agencies.

Recruitment

All staff will be carefully selected, screened, trained and supervised. This is achieved by operating safe recruitment procedures in accordance with the requirements of ISA and the Disclosure and Barring Service. In addition those from external agencies (not employed by Stamford Academy) who have unsupervised contact with students under the age of 18 will have had the necessary checks made by their employer or other agency.

If a DBS check is still being processed at the commencement of employment, Stamford Academy will restrict the responsibilities/duties that a member of staff may undertake.

They will understand their role in the organisation together with their responsibility to identify and confidentially report any suspicions of abuse.

The appropriate DBS checks and Child Welfare declarations are made across our host family database and we ensure that under 18s are twinned together and not with over 18s. Students on junior courses are allocated to specifically selected host families. Students under the age of 16 will be allocated accommodation for a maximum of 28 nights.
